

Memorandum of Understanding for Cooperation

Introduction

The boards of both CIB and UICB are pleased to support the establishment of a closer and formalised cooperation between UICB and CIB.

Components of cooperation

Such cooperation will include the following components:

1. open access to CIB W102 – Information and Knowledge Management in Building – meetings and conferences for all interested UICB members and
2. in return, open access to UICB seminars and other public events for all interested CIB members
3. access to ICONDAC®~CIBlibrary for UICB members on equal conditions as CIB members (at present: free of charge)
4. inclusion of UICB proceedings and other publications in the database ICONDA® CIBlibrary
5. exploration of possibilities to initiate a joint activity that will focus on a topic of interest to both memberships.
